

FACES OF GENESEE

Photo Shoot

We are updating the Faces of Genesee! These images are used for various marketing purposes, including the display in the cafeteria over the vending machines and our website. We'll photograph you with your props, then put in a background to illustrate who you are.

Students from every program are wanted - Alumni, too!

This is what we will take:

This is how it will end up:

- Bring props that help show who you are - profession, passions
- Wear your professional clothes (scrubs, uniform, GCC gear, etc.)
- Photos are from the hips up
